

**REMARKS**

In accordance with the phone conference held today, June 16, 2008 with Examiner Patel, Applicant hereby submits a supplemental response to the restriction requirement and preliminary amendment. On May 29, 2008, Applicant submitted a response to the restriction requirement and preliminary amendment that contained a listing of claims that did not accurately set forth the claims as amended. The listing of the claims in this current supplemental response more clearly sets forth the amendments to the claims.

Applicants elect to prosecute Invention C, corresponding to claims 5 – 18. Applicants also elect Species B, directed towards Figures 4 – 8. Furthermore, claim 19 is readable on elected Species B. Applicants respectfully request entry of the present Preliminary Amendment prior to examination of the patent application. Applicants submit that the claims that remain pending after entry of the present preliminary amendment are allowable over the art of record and Applicants respectfully solicit early indication of same.

Applicants believe that there is no fee due in connection with the present response. If, however, there is a fee due or any petition due, Applicants respectfully request that this paper constitute any such petition and authorizes the Commissioner to hereby charge any underpayment, or credit any overpayment, to Deposit Account No. 23-0920.

Applicant: Masaki Hori  
Serial No.: 10/623,832
